25X1 1. [REDACTED] Talked with William Darden further concerning the desire of the Director to have a meeting with Senator R. Russell to include Mr. Mahon and Mr. Gilpatric. Darden said he had discussed this with the Senator, unfortunately in a hasty way, and the Senator said he would try to arrange a time one morning during the week. (The Director attempted to reach Russell by telephone and left word for the Senator to call him.)

25X1 2. [REDACTED] Frank Meyer in the office of Representative Gerald R. Ford (R., Mich.) called saying the Congressman very much wished John Warner to talk with a young man, [REDACTED] concerning career possibilities with the Agency. Discussions were held and he is being placed in the hands of Personnel through normal recruitment procedures.

25X1 3. [REDACTED] In response to an inquiry from Mrs. Dorothy Sankey, in the office of Senator Jacob K. Javits, I met with her to discuss the case of [REDACTED] an applicant for Agency employment. I told Mrs. Sankey that the Agency did not advise applicants for positions of the reasons for their rejection if such should be the case. However, I talked in general terms with respect to [REDACTED] indicating that while she was extremely well qualified, there were other factors involved in our screening process which indicated it would not be in the best interest of [REDACTED] or the Agency for us to employ her in the sensitive area for which she was being considered. (See Memo for the Record.)
